

ICEPS 2025

2025 12th International Conference on Education and Psychological Sciences

ICEPS has been held since 2014. ICEPS has been to Singapore, Spain, Italy, Netherlands and South Korea brought together delegates from around the world to consider the theme of "Education and Psychological Sciences". The theme was approached from a variety of different perspectives, taking full advantage of the international diversity of the attendees with their myriad experiences. The main goal of the 2025 12th International Conference on Education and Psychological Science is to provide an opportunity for academicians and professionals from various education related fields from all over the world to come together and learn from each other. An additional goal of the conference is to provide a place for academicians and professionals with cross-disciplinary interests related to education to meet and interact with members inside and outside their own particular disciplines.
